# AWAKEN MY SOUL

## Young Adults Retreat

THE STABLES, LETTON HALL

3–6 APRIL 2018

Loved the time in community and just the whole relaxed nature of the week

Was great to get away from the busyness of life and focus on my relationship with God

# 2018 THEME

This April come and join us for a retreat that at its heart is about getting back to what it means to follow Jesus. The bottom line is this: You can't be a Christian (literally 'little Christ'), without being a disciple. Discipleship is about apprenticeship to Jesus. This is for those who want to experience the life of Jesus, and it's accessible to those who adopt the lifestyle of Jesus. At some point we need to move on past just listening and learning to actually having a go at doing what Jesus said! Let's go...

Will you join us this April for the journey? It doesn't matter where you feel you are at – whether you feel your life is fully sorted or not you are welcome.

Awake my Soul is a retreat, an opportunity to look back and take stock of what's been happening. Time to gain fresh perspective on where we are going, space to reflect on what God is saying and doing in our lives now. Whether you're at college, uni, or in work, we'd love you to come. This is time set aside for you, and for your soul to be nourished.

## THE PROGRAMME

The focus here is community. It won't be tightly programmed but there will be one. We will cook and eat together, worship, share and pray together, enjoy the grounds, countryside. The Stables features a snug with log burner, plus a meeting-room-lounge with pool & table tennis table at one end, thus providing lots of social space. We're big on the 'table', everyone sat together with food and plenty of chat.

## 2018 SPEAKER JASON ROYCE

This year we are excited to have **Jason Royce** who leads Souster Youth along for the journey, as our speaker-retreat facilitator. Jason will be leading the sessions during the retreat and there will be plenty of time to reflect individually, time set aside for worship, discussion, space to pray and be prayed for if you would like this.

### ABOUT LETTON HALL

Letton Hall, a converted Georgian country house and stables, is a Christian Conference Centre in rural Norfolk, set within 10 beautiful acres.

£80
